Corrigendum

On page 192 in the first sentence of the last paragraph of the manuscript:

Evaluation of genetic diversity: Which of the varieties can be named 'Rebula' (*Vitis vinifera* L.)?

D. Rusjan, T. Jug and N. Štajner

*Vitis* 49 (4), 129-136 (2010)

The correct sentence is: The comparison of Slovenian 'Vitovska' with 'Vitouska' from Trieste, Italy resulted in identical SSR profiles over all 10 SSR loci compared.

The correspondence author changed:
