

## Erratum

In the paper

**Thidiazuron-induced regeneration and genetic transformation of grapevine rootstock varieties**

R. OLAH, E. SZEGEDI, S. RUTHNER and J. KORBULY

Vitis **42** (3), 133–136 (2003)

the text on page 134, lines 6-10 was printed in Greek letters and should be replaced by

"Somatic embryos were induced on hormone-free solid medium. The germinating embryos were isolated and transferred separately to new tubes containing 10 ml half-strength, hormone-free solid medium. Then they were exposed to a photoperiod of 16 h ( $80 \mu\text{mol m}^{-2} \text{s}^{-1}$ )."
